

17th Graduation Day

17th Graduation Day of Jerusalem College of Engineering was held on Sunday 24th April, 2016 at College premises.

Prof. **Dr.A.Kalanidhi**, Vice-Chairman, Commonwealth Science and Technology Academy for Research and Former Vice Chancellor of Anna University was the Chief Guest and delivered the convocation address. Prof.M.Mala, CEO presided over the function. Prof. Dr.M.Ramalingam, Principal, presented the annual report of the college.

A total of 620 students were awarded degrees in various disciplines with 18 students received Anna University Rank.

The Chief Guest advised the students that not only to go behind the marks and to update them the latest developing technologies. He said that India is developing country, because it is developing the other countries. He also told them to grab the opportunities in other countries like Germany, America, United Kingdom etc.

He particularly appreciated the college management for their support in developing the students by providing them good education.
