DEPARTMENT OF CYBER SECURITY

VISION

The Department of Cyber Security is committed to produce ethical, skilled cyber security professionals who can effectively protect digital assets of organizations from cyber threats and contribute to the development of the field.

MISSION

- To provide challenging education innovative projects with training program that prepares individuals to become skilled cyber security professionals.
- To collaborate industry institute and serve as a center of inspiration for displaying their skilled knowledge about current technical developments and academic publications.
- To incorporate value based education, fostering ethical decision-making and promoting responsible behavior for the benefit of society progress.
- To educate and train the students with better teaching infrastructure for life-long learning and transfer results into deployable.

PROGRAM EDUCATIONAL OBJECTIVES (PEOs)

- PEO1:** Graduates will be able to recognize and evaluate possible security risks and vulnerabilities in diverse information systems and networks by using the core ideas, principles, and practices of cyber security.
- PEO2:** Graduates will be able to assess the efficiency of security systems based on shifting threat environments and upcoming technology.
- PEO3:** Graduates will have a solid ethical and professional basis and be dedicated to respecting integrity, confidentiality, and privacy norms in all facets of their employment.
- PEO4:** Graduates will be skilled communicators and collaborators who can work in multidisciplinary teams and explain difficult technical knowledge to stakeholders who aren't experts in the field.

PROGRAM SPECIFIC OUTCOMES (PSOs)

- PSO 1:** Demonstrate the ability to design, implement and evaluate cyber security solutions to specific business problems and societal needs.
- PSO 2:** Exhibit professionalism in the application of programming skills, expertise and judgment through hands-on experience.
- PSO 3:** Solicit logical thinking to analyze complex real-world problems and professional and ethical behavior to provide the right solutions to those problems.
