

**JERUSALEM COLLEGE OF ENGINEERING**  
**(An Autonomous Institution, affiliated to Anna University, Chennai)**  
**REGULATIONS 2023**  
**CHOICE BASED CREDIT SYSTEM**  
**MBA PROGRAMME**

The following Regulations is applicable to the students admitted to M.B.A. Programme at Jerusalem College of Engineering (An Autonomous institution affiliated to Anna University, Chennai) from the academic year 2023 - 2024 onwards.

**1. PRELIMINARY DEFINITIONS AND NOMENCLATURE**

In these Regulations, unless the context otherwise requires:

- a. **“Programme”** means Post graduate Degree Programme that is M.B.A. Degree Programme.
- b. **“Course”** means Theory or Practical subject that is normally studied in a semester, like Applied Management information System, Strategic Management etc.
- c. **“Dean - Academics”** means the authority of the Institution who is responsible for all academic activities of the Institution and for implementation of relevant Rules and Regulations.
- d. **“Head of the Department”** means Head of the Department concerned.
- e. **“Head of the Institution”** means the Principal of the Institution
- f. **“Controller of Examinations”** means the Authority of the Institution who is responsible for all activities of the Examinations.
- g. **“University”** means ANNA UNIVERSITY, CHENNAI.
- h. **“Institution”** means Jerusalem College of Engineering, Chennai – 100, Tamil Nadu, India.

**2. ADMISSION PROCEDURE**

- 2.1** Candidates for admission to the first semester of the Post-Graduate Degree Programme shall be required to have passed an appropriate Under-Graduate Degree **Examination of Anna University** or equivalent as specified under qualification for admission as per the Tamil Nadu single window counselling process (TANCET)

The Government of Tamil Nadu releases the updated eligibility criteria for the admission. Admission shall be offered only to candidates who possess the qualification prescribed and the eligibility criteria for the programme.

- 2.2** However, the Syndicate of the University may decide to restrict admission in any particular year to candidates having a subset of qualifications prescribed at the time of admission

2.3 Notwithstanding the qualifying examination the candidate might have passed, he/she shall have a minimum level of proficiency in the appropriate programme / courses as prescribed by the Syndicate of the University from time to time.

2.4 Eligibility conditions for admission such as the class obtained, the number of attempts in qualifying examination and physical fitness will be as prescribed by the Syndicate of the University from time to time.

### 3. PROGRAMMES OFFERED AND MODE OF STUDY

3.1 A student may be offered admission to the following programme of study approved by the Anna University

1. Master of Business Administration

#### 3.2 MODE OF STUDY

##### Full-Time:

Candidates should be available in the Institution during the entire duration of working hours for the curricular, co-curricular and extra-curricular activities assigned to them.

The candidates should not attend any other Full-Time programme(s) / course(s) or take up any Full-Time job / Part-Time job in any Institution or Company during the period of the programme. Violation of the above rules will result in cancellation of admission to the PG programme.

### 4. STRUCTURE OF THE PROGRAMMES

#### 4.1 Categorization of Courses

Every Post Graduate Degree Programme will have a curriculum with syllabi consisting of theory and practical courses that shall be categorized as follows:

i. **Foundation Courses (FC)** may include Mathematics or other basic courses

ii. **Professional Core (PC)** courses include the core courses relevant to the chosen specialization/branch.

iii. **Professional Elective (PE)** courses include the elective courses relevant to the chosen specialization/ branch.

iv. **Employability Enhancement Courses (EEC)** include communication lab.

#### 4.2 Courses per Semester

Curriculum of a semester shall normally have a blend of lecture courses and practical courses including Employability Enhancement Courses. Each course may have credits assigned as per clause 4.3.

#### 4.3 Credit Assignment

Each course is assigned certain number of credits based on the following:

CONTACT PERIOD PER WEEK	CREDITS
1 LECTURE PERIOD	1
2 TUTORIAL PERIODS	1
2 PRACTICAL PERIODS(Laboratory/Seminar/Project work etc)	1

The Contact Periods per week for Tutorials and Practical can only be in multiples of 2.

#### **4.4 Project Work**

**4.4.1** The project work for M.B.A shall be pursued for a period of 16 weeks during the final semester, with an additional of maximum 4 weeks for report writing, the total project duration not exceeding 20 weeks.

**4.4.2** The Project work shall be carried out under the supervision of a faculty member in the Department Concerned. The faculty member must ;be possessing a M.B.A degree (i) with a minimum of 2 years of teaching experience or (ii) Ph.D. degree.

**4.4.3** A student shall be permitted to work on projects in an Industrial/Research Organization, on the recommendations of the Head of the Department. In such cases, the student shall be instructed to meet the supervisor periodically once every week and attend the review committee meetings for evaluating the progress. In case the student is undertaking the project work in the department the student has to report every day to the supervisor either in physical mode or online mode.

**4.4.4** The review meetings, if necessary, may also be arranged in online mode with prior approval from the Head of the Institution and suitable record of the meetings shall be maintained.

**4.4.5** The deadline for submission of final Project Report is 30 calendar days from the last working day of the semester in which project is done.

#### **4.5 Industrial Training / Internship**

The students may undergo Industrial training for a period as specified in the curriculum during summer / winter vacation. In this case the training has to be undergone continuously for the entire period. The students may undergo Internship at Research organization / University (after due approval from the **Head of the Department** for the period prescribed in the curriculum during summer / winter vacation, in lieu of Industrial training.

#### **4.6 Value Added Courses**

The Students may optionally undergo Value Added Courses and the credits earned through the Value Added Courses shall be over and above the total credit requirement prescribed in the curriculum for the award of the degree. One / Two credit courses shall be offered by a Department of an Institution with the prior approval from the Head of the Institution. The details of the syllabus, time table and faculty may be sent to the Controller of Examinations after approval from the Head of the Institution atleast one month before the course is offered. Students can take a maximum of two one credit courses / one two credit course during the entire duration of the Programme.

## 4.7 Online Courses

4.7.1 Students may be permitted to credit only one online course of 3 credits with the approval of Head of the Institution and Dean Academics.

4.7.2 Students are encouraged to take up online MOOCs courses during their Engineering study. The following are the guidelines to pursue SWAYAM - NPTEL courses during his/her study period:

- If a student wishes to pursue a SWAYAM - NPTEL course in a latter semester, he/she must get the approval from the Head of the Institution through proper channel atleast three months before the start of the new semester as the NPTEL course list is announced 6 months ahead of the course start date and enrollments for the course are opened 2 months ahead of the course start date and closes on the start date.
- A student can opt to pursue a SWAYAM - NPTEL course as a professional elective / open elective offered in the curriculum under R2021 (during semesters II and III except semester IV) after getting proper validation about the course from his/her class advisor, HoD and Dean Academics.
- The course opted by the student should have a minimum of 3 credits [12-week course].
- The progress of the student in the course shall be periodically monitored by the respective class advisor.
- The students who wish to take up SWAYAM - NPTEL courses are given the following two options:
- The student can opt to take up the exam conducted by Swayam and obtain the certificate by separately registering for the certificate and appearing in person for a proctored exam. There shall not be any separate internal assessments in the college for students taking up SWAYAM - NPTEL courses, as assessments are a part of the respective Swayam program. The grades/credits mentioned in the certificate will be considered as it is by Jerusalem College of Engineering.

(or)

a) The students can opt to write the end semester examination for the enrolled SWAYAM - NPTEL course at Jerusalem College of Engineering. The student shall declare the NPTEL login details to the class advisor and take up the assignments/assessments as defined in the Swayam program, which shall be considered for internal marks for the corresponding course in the respective semester. The class advisor shall monitor the progress of the student periodically by consolidating the hardcopies of mark statements (taken from the NPTEL portal) secured by the student in all the assessments, as defined in the program and shall calculate the marks out of 50 which shall then be forwarded to the office of COE, JCE through Dean Academics, JCE. The exam fee for the online course shall be defined by the office of COE, JCE from time to time.

- A student is not permitted to withdraw from the SWAYAM – NPTEL course once the semester begins (permitted to withdraw before the semester begins). If he/she is unable to succeed in the e-certification exam or college exam, then the result for the open elective course in the respective semester, will be declared as REAPPEAR (RA). To clear the course in both cases, the student should appear for the end semester examination conducted by the college in the subsequent semester.

#### 4.8 Medium of Instruction

The medium of instruction is English for all courses, examinations, seminar presentations and project / thesis / dissertation reports.

#### 5. DURATION OF THE PROGRAMMES:

5.1 The minimum and maximum period for completion of the P.G. Programmes are given below:

Programme	Minimum number of semesters	Maximum number of semesters
M.B.A	4	8

5.2 The Curriculum and Syllabi of all the P.G. Programmes shall be approved by the Academic Council of the Institution. The number of Credits to be earned for the successful completion of the programme shall be as specified in the Curriculum of the respective specialization of the P.G. Programme

5.3 Each semester shall normally consist of 75 working days or 540 periods of each 50 minutes duration, for full-time mode of study or 250 periods for part-time mode of study. The Head of the Institution shall ensure that every teacher imparts instruction as per the number of periods specified in the syllabus and that the teacher teaches the full content of the specified syllabus for the course being taught. For the purpose of calculation of attendance requirement for writing the end semester examinations (as per clause 9) by students, following method shall be used.

$$\text{Percentage of Attendance} = \frac{\text{Total no. of periods attended in all courses per semester}}{\left( \text{No. of periods per week as prescribed in the curriculum} \right) \times 15} \times 100$$

taken together for all courses of the semester

End Semester Examinations conducted by the Institution will be scheduled after the last working day of the semester.

5.4 The minimum prescribed credits required for the award of the degree shall be within the limits specified below:

Programme	Prescribed Credit Range
M.B.A.	90 to 94

#### 6. COURSE REGISTRATION

6.1 The Institution is responsible for registering the courses that each student is proposing to undergo in the ensuing semester. Each student has to register for all courses to be undergone in the curriculum of a particular semester. The student can also register for courses for which the student has failed in the earlier semesters. The registration details of the candidates may be approved by the Head of the Institution and forwarded to the Controller of Examinations. This registration is for undergoing the course as well as for writing the End Semester Examinations.

### **The courses that a student registers in a particular semester may include**

- i. Courses of the current semester.
- ii. The core (Theory/Lab /EEC) courses that the student has not cleared in the previous semesters.
- iii. Elective courses which the student failed (either the same elective or a different elective instead)

## **7. ATTENDANCE REQUIREMENTS FOR COMPLETION OF A SEMESTER**

**7.1** A candidate who has fulfilled the following conditions shall be deemed to have satisfied the attendance requirements for completion of a semester. Ideally every student is expected to attend all classes and earn 100% attendance. However, in order to allow provision for certain unavoidable reasons such as prolonged hospitalization / accident / specific illness the student is expected to earn a minimum of 75% attendance to become eligible to write the End-Semester Examinations. Therefore, every student shall secure not less than 75% of overall attendance in that semester as per clause 4.3.

**7.2** However, a candidate who secures overall attendance between 65% and 74% in that current semester due to medical reasons (prolonged hospitalization / accident / specific illness / participation in sports events) may be permitted to appear for the current semester examinations subject to the condition that the candidate shall submit the medical certificate / sports participation certificate to the Head of the Institution. The same shall be forwarded to the Controller of Examinations for record purposes.

**7.3** Candidates who could secure less than 65% overall attendance and Candidates who do not satisfy the clauses 10.1 & 10.2 will not be permitted to write the end-semester examination of that current semester and are not permitted to go to next semester. They are required to repeat the incomplete semester in the next academic year.

## **8 CLASS ADVISOR**

**8.1** There shall be a class advisor for each class. The class advisor will be one among the (courseinstructors) of the class. He / She will be appointed by the Head of the department concerned. The class advisor is the ex-officio member and the Convener of the class committee.

The responsibilities for the class advisor shall be:

- To act as the channel of communication between the HoD and the students of the respective class.
- To collect and maintain various statistical details of students.
- To help the chairperson of the class committee in planning and conduct of the class committee meetings.
- To monitor the academic performance of the students including attendance and to inform the class committee.
- To attend to the students' welfare activities like awards, medals, scholarships and industrial visits.

## **9. CLASS COMMITTEE**

**9.1** A Class Committee consists of teachers of the concerned class, student representatives and a chairperson who is not teaching the class. It is like the 'Quality Circle' (more commonly used in industries) with the overall goal of improving the teaching-learning process. The functions of the class committee include:

- Solving problems experienced by students in the class room and in the laboratories.
- Clarifying the regulations of the programme and the details of rules therein. Informing the student representatives, the "academic schedule" including the dates of assessments and the syllabus coverage for each assessment period.
- Informing the student representatives, the details of regulations regarding the weightage used for each assessment. In the case of practical courses (laboratory / project work / seminar etc.) the breakup of marks for each experiment/ exercise/ module of work, should be clearly discussed in the class committee meeting and informed to the students.
- Analyzing the performance of the students of the class after each test and finding the ways and means of improving the Students Performance
- Identifying the weak students, if any, in any specific subject and requesting the teachers concerned to provide some additional help or guidance or coaching to such weak students as frequently as possible.

**9.2** The class committee for a class under a particular programme is normally constituted by the Head of the Department. However, if the students of different programmes are mixed in a class, the class committee is to be constituted by the Head of the Institution.

**9.3** The class committee shall be constituted on the first working day of any semester or earlier.

**9.4** At least 2 student representatives (usually 1 boy and 1 girl) shall be included in the class committee.

**9.5** The chairperson of the class committee shall invite the Class adviser(s) and the Head of the Department to the meeting of the class committee.

**9.6** The Head of the Institution may participate in any class committee of the institution.

**9.7** The Chairperson of the Class Committee is required to prepare the minutes of every meeting, submit the same to the Head of the Institution within two working days of the meeting and arrange to circulate among the concerned students and teachers. If there are some points in the minutes requiring action by the management, the same shall be brought to the notice of the management by the Head of the Institution.

**9.8** The first meeting of the class committee shall be held within one week from the date of commencement of the semester in order to inform the students about the nature and weightage of assessments within the framework of the Regulations. Two or three subsequent meetings may be held at suitable intervals. During these meetings the student members, representing the entire class, shall meaningfully interact and express the opinions and suggestions of the class students to improve the effectiveness of the teaching-learning process.

## 10 COURSE COMMITTEE FOR COMMON COURSES

Each common course offered to more than one group of students shall have a "Course Committee" comprising all the teachers teaching the common course with one of them nominated as Course Coordinator. The nomination of the course Coordinator shall be made by the Head of the Department / Head of the Institution depending upon whether all the teachers teaching the common course belong to a single department or to several departments. The 'Course committee' shall meet as often as possible and ensure uniform evaluation of the tests and arrive at a common scheme of evaluation for the tests.

Wherever it is feasible, the course committee may also prepare a common question paper for the Assessment Test(s).

## 11. SYSTEM OF EXAMINATION

- 11.1 Performance in each course of study shall be evaluated based on (i) continuous internal assessment throughout the semester and (ii) Examination at the end of the semester.
- 11.2 Each course, both theory and practical (including project work & viva voce examinations) shall be evaluated for a maximum of 100 marks.
  - 11.2.1 For all theory courses, the continuous internal assessment will carry **40 marks** while the End Semester examination will carry **60 marks**.
  - 11.2.2 For all theory courses with laboratory component, the continuous internal assessment will carry **50 marks** while the End Semester examination will carry **50 marks**.
  - 11.2.3 For all laboratory courses, the continuous internal assessment will carry **60 marks** while the End Semester examination will carry **40 marks**.
  - 11.2.4 The continuous internal assessment for the project work will carry **40 marks** while the End Semester examination will carry **60 marks**.
- 11.3 Industrial Training and Seminar shall carry 100 marks and shall be evaluated through internal assessment only.
- 11.4 The End Semester examination (theory and practical) of 3 hours duration shall ordinarily be conducted between October and December during the odd semesters and between April and June during the even semesters.
- 11.5 The End Semester examination for Project Work shall consist of evaluation of the final report submitted by the student or students of the project group (of not exceeding 4 students) by an external examiner and an internal examiner, followed by a viva-voce examination conducted separately for each student by a committee consisting of the external examiner, the supervisor of the project group and an internal examiner.
- 11.6 For the End Semester examination of practical courses including Project Work, the internal and external examiners shall be appointed by the Controller of Examinations.

## 12. PROCEDURE FOR AWARDING MARKS FOR INTERNAL ASSESSMENT

For all theory, laboratory courses, theory courses with laboratory component and project work the continuous assessment shall be awarded as per the procedure given below:

### 12.1 THEORY COURSES

Two assessments each carrying 100 marks shall be conducted during the semester by the Department concerned. The total marks obtained in all assessments put together out of 200, shall be proportionately reduced for 40 marks and rounded to the nearest integer (This also implies equal weightage to the two assessments).

Assessment I (100 Marks)		Assessment II (100 Marks)		Total Internal Assessment
Individual Assignment / Case Study / Seminar / Mini Project	Written Test	Individual Assignment / Case Study / Seminar / Mini Project	Written Test	
40	60	40	60	200*

\*The weighted average shall be converted into 40 marks for internal Assessment.

Two internal assessments will be conducted as a part of continuous assessment. Each internal assessment is to be conducted for 100 marks and will have to be distributed in two parts viz., Individual Assignment/Case study/Seminar/Mini project and Test with each having a weightage of 40% and 60% respectively. The tests shall be in written mode. The total internal assessment marks of 200 shall be converted into a maximum of 40 marks and rounded to the nearest integer.

### 12.2 LABORATORY COURSES

The maximum marks for Internal Assessment shall be 60 marks in case of practical courses. Every practical exercise / experiment shall be evaluated based on conduct of experiment / exercise and records to be maintained. There shall be at least one test. The criteria for arriving at the Internal Assessment marks of 60 is as follows: 75 marks shall be awarded for successful completion of all the prescribed experiments done in the Laboratory and 25 marks for the test. The total mark shall be converted into a maximum of 60 marks and rounded to the nearest integer.

Internal Assessment (100 Marks)*	
Evaluation of Laboratory Observation, Record	Test
75	25

\* Internal assessment marks shall be converted into 60 marks

### 12.3 THEORY COURSES WITH LABORATORY COMPONENT

If there is a theory course with laboratory component, there shall be two assessments: the first assessment (maximum mark is 100) will be similar to assessment of theory course and the second assessment (maximum mark is 100) will be similar to assessment of laboratory course respectively. The weightage of first assessment shall be 40 % and the second assessment be 60 %. **The weighted average of these two assessments shall be converted into 50 marks and rounded to the nearest integer.**

Assessment I (40% weightage) (Theory Component)		Assessment II (60% weightage) (Laboratory Component)		Total
Individual Assignment / Case Study / Seminar / Mini Project	Written Test	Evaluation of Laboratory Observation, Record	Test	Internal Assessment
40	60	75	25	200*

\*The weighted average shall be converted into 50 marks for internal Assessment.

### 12.4 PROJECT WORK

- 12.4.1** Project work may be allotted to a single student or to a group of students not exceeding 4 per group
- 12.4.2** Project Work shall be carried out under the supervision of a “qualified teacher” in the Department concerned. In this context “qualified teacher” means the faculty member possessing (i) PG degree or (ii) Ph.D. degree.
- 12.4.3** The Project Work shall be jointly supervised by a supervisor of the department and an expert as a joint supervisor from the organization and the student shall be instructed to meet the supervisor periodically and to attend the review committee meetings for evaluating the progress. The review meetings, if necessary, may also be arranged in online mode with prior approval from the Head of the Department and suitable record of the meetings shall be maintained.
- 12.4.4** The Head of the Department shall constitute a review committee for Project Work for each programme. The review committee consists of supervisor, an expert from the Department and a project coordinator from the Department. If the project coordinator/expert member happens to be the supervisor, then an alternate member shall be nominated. In the case of Industrial Project, the review committee shall have the supervisor, the coordinator from industry and the project coordinator from the Department.  
There shall be three reviews during the semesters III and IV by the review committee. The student shall make presentation on the progress made by him / her before the committee. The total marks obtained in the three reviews shall be **reduced for 40 marks** and rounded to the nearest integer (as per the scheme given in 12.4.4).
- 12.4.5** The project report shall carry a maximum of 20 marks. The project report shall be submitted as per the approved guidelines as given by the Dean-Academics. Same marks shall be awarded to every student within the project group for the project report. The viva-voce examination shall carry 40 marks. Marks are awarded to each student of the project group is based on the individual performance in the viva- voce examination.

Review I	Review II	Review III	End Semester Examinations				
			Project Report		Viva-Voce Examination		
10	15	15	Internal	External	Internal	External	Supervisor
			10	10	10	20	10

**12.4.6** The last date for submission of the project report is on the last working day of the semester. If a student fails to submit the project report on or before the specified deadline or the student has submitted the project report but did not appear for the viva-voce examination, it will be considered as fail in the Project Work and the student shall re-register for the same in the subsequent semester.

#### **12.4.7 Summer Project / Internship**

Summer Project / Internship, shall carry 100 marks and shall be evaluated through both internal & external assessment. At the end of Internship / Summer Project, the student shall submit an attendance certificate from the organization where he / she has undergone training and a brief report. The internal evaluation is based on 2 reviews and a Viva-voce examination conducted internally in the department. The External evaluation will be made based on the report and a viva-voce Examination, conducted by a two member Committee constituted by the Head of the department consisting of an internal member and one external member. The certificates (issued by the organization) submitted by the students shall be attached to the mark list sent by the Head of the Department to the Controller of Examinations.

### **12.5 OTHER EMPLOYABILITY ENHANCEMENT COURSES**

For all the courses under Employability Enhancement Courses Category, except Summer Project, Internship & Project Work, the evaluation shall be done with 100% internal marks.

#### **12.6 ASSESSMENT FOR VALUE ADDED COURSES**

The one / two credit course shall carry 100 marks and shall be evaluated through **continuous assessments only**. Two Assessments as per the clause 12.1 or 12.2 shall be conducted by the Department concerned. The total marks obtained in the assessments shall be reduced to 100 marks and rounded to the nearest integer. A committee consisting of the Head of the Department, staff handling the course and a senior faculty member nominated by the Head of the Institution shall do the evaluation process. The list of students along with the marks and the grades earned shall be forwarded to the Controller of Examinations for appropriate action at least one month before the commencement of End Semester Examinations. The grades earned by the students for Value Added Courses will be recorded in the Grade Sheet, however the same shall not be considered for the computation of CGPA.

#### **12.7 ATTENDANCE RECORD**

Every teacher is required to maintain an 'ATTENDANCE AND ASSESSMENT RECORD', which consists of attendance marked in each lecture or practical or project work class, the test marks and the record of class work (topic covered), separately for each course. This should be submitted to the Head of the Department periodically (at least three times in a semester) for checking the syllabus coverage and the records of test marks and attendance. The Head of the Department will put his/her signature and date after due

verification. At the end of the semester, the record should be verified by the Head of the Institution who will keep this document in safe custody (for five years).

## **12.8 CONDUCT OF ACADEMIC AUDIT BY EVERY INSTITUTION**

Every educational institution shall strive for a better performance of the students by conducting the internal assessments as mentioned in Clause 12.

In order to ensure the above, Academic Audit is to be done for every course taught during the semester. For the internal assessments conducted for each course as per details provided in Clause 12, the academic records shall be maintained in the form of documentation for the individual assignments / case study report / report of mini project submitted by each student and assessment test question paper and answer script. Report of industrial training / internship shall also be maintained, if applicable. For laboratory courses students' record shall be maintained. Further, the attendance of all students shall be maintained as a record.

The Head of the Institution shall arrange to conduct the Academic Audit for every course in a semester by forming the respective committees with an external course expert as one of the members drawn from a Technical institution of repute near the institute.

## **13. REQUIREMENTS FOR APPEARING FOR END SEMESTER EXAMINATIONS**

A student shall normally be permitted to appear for the End Semester Examinations for all the courses registered in the current semester (vide clause 6) if he/she has satisfied the semester completion requirements (as per clause 7).

Further, examination registration by a student is mandatory for all the courses in the current semester and all arrear(s) course(s) for the End Semester Examinations failing which, the student will not be permitted to move to the higher semester.

A student who has already appeared for any course in a semester and passed the examination is not entitled to reappear in the same subject for improvement of grades.

## **14. PASSING REQUIREMENTS**

**14.1** A student who secures not less than 50% of total marks prescribed for the course [Internal Assessment + End semester Examinations] with a minimum of 45% of the marks prescribed for the end-semester Examination, shall be declared to have passed the course and acquired the relevant number of credits. This is applicable for both theory and laboratory courses (including project work).

**14.2** If a student fails to secure a pass in a theory course / laboratory course (except electives), the student shall register and appear only for the end semester examination in the subsequent semester. In such case, the internal assessment marks obtained by the student in the first appearance shall be retained and considered valid for all subsequent attempts till the student secures a pass. However, from the third attempt onwards if a student fails to obtain pass marks (IA + End Semester Examination) as per clause 14.1, then the student shall be declared to have passed the examination if he/she secures a minimum of 50% marks prescribed for the End Semester Examinations alone.

**14.3** If the course, in which the student has failed, is a Professional Elective or an Open Elective course, the student may be permitted to complete the same course. In such case, the internal assessment marks obtained by the student in the first appearance shall be retained and considered valid for all subsequent attempts till the candidate secures a pass. However, from the third attempt onwards if a candidate fails to obtain pass marks (IA + End Semester Examination) as per clause 14.1, then the candidate shall be declared to have passed the examination if he/she secures a minimum of 50% marks prescribed for the End Semester examinations alone.

If any other Professional Elective or Open Elective course is opted by the student, the previous registration is cancelled and henceforth it is to be considered as a new Professional Elective or Open Elective course. The student has to register and attend the classes, earn the continuous assessment marks, fulfil the attendance requirements as per clause 7 and appear for the end semester examination.

- 14.4** If a student is absent during the viva - voce examination, it would be considered as fail. If a student fails to secure a pass in Project Work-Phase I, **the student shall register** for the course again in the subsequent semester and can do Project Work-Phase I and Phase II together. However, in case of failure in any phase, the student has to reregister for both phase I and phase II within 30 days.
- 14.5** The passing requirement for the courses which are assessed only through purely internal assessments (EEC courses except Project Work and laboratory), is 50% of the internal assessment (continuous assessment) marks only.
- 14.6** A student can apply for revaluation of the student's semester examination answer paper in a theory course, as per the guidelines of the COE on payment of a prescribed fee along with prescribed application to the COE. The COE will arrange for the revaluation and the results will be intimated to the student. Revaluation is not permitted for laboratory course and EEC courses.

## **15 AWARD OF LETTER GRADES**

- 15.1** The award of letter grades will be decided using relative grading principle. The performance of a student will be reported using letter grades, each carrying certain points as detailed below:

<b>Letter Grade</b>	<b>Grade Points*</b>
O (Outstanding)	<b>10</b>
A + (Excellent)	<b>9</b>
A (Very Good)	<b>8</b>
B + (Good)	<b>7</b>
B (Average)	<b>6</b>
C (Satisfactory)	<b>5</b>
RA (Re-appearance)	<b>0</b>
SA (Shortage of Attendance)	<b>0</b>
W (Withdrawal)	<b>0</b>

A student is deemed to have passed and acquired the corresponding credits in a particular course if he/she obtains any one of the following grades: "O", "A+", "A", "B+", "B", "C".

'SA' denotes shortage of attendance (as per clause 7.3) and hence prevented from writing the end semester examinations. 'SA' will appear only in the result sheet.

"RA" denotes that the student has failed to pass in that course. "W" denotes **withdrawal** from the exam for the particular course. The grades RA and W will figure both in the Grade Sheet as well as in the Result Sheet. In both cases, the student has to appear for the End Semester Examinations as per the Regulations.

If the grade RA is given to **Theory Courses/ Laboratory Courses** it is **not required to satisfy the** attendance requirements (vide clause 7), but has to appear for the end semester examination and fulfil the norms specified in clause 14 to earn a pass in the respective courses.

If the grade RA is given to **EEC course (except Project Work), which are evaluated only through internal assessment**, the student shall register for the course again in the subsequent semester, fulfil the norms as specified in clause 14 to earn pass in the course. However, attendance requirement need not be satisfied.

## 15.2 AWARD FOR LETTER GRADE FOR ONLINE COURSES

The award of letter grades will be decided using absolute grading principles. The performance of a student will be reported using letter grades, each carrying credit points as detailed below.

Letter Grade	Grade Points*	Marks Range
O (Outstanding)	10	90-100
A + (Excellent)	9	80-89
A (Very Good)	8	70-79
B + (Good)	7	60-69
B (Average)	6	50-59
C (Satisfactory)	5	40-49
RA (Re-appearance)	0	-
W (Withdrawal)	0	-

15.3 The grades O, A+, A, B+, B, C obtained for the one/two credit course (not the part of curriculum) shall figure in the Grade Sheet under the title '**Value Added Courses/Internship/Industrial training**'. The courses for which the grades obtained are RA, SA **will not figure in the Grade Sheet.**

15.4 For the students who complete the NCM Courses satisfying attendance requirement, the title of the NCM Courses will be mentioned in the Grade Sheet. If the attendance requirement is not satisfied, it will not be shown in the **Grade Sheet.**

## 15.5 GRADE SHEET

After results are declared, Grade Sheets will be issued to each student which will contain the following details:

- The list of courses registered during the semester and the grade scored.
- The Grade Point Average (GPA) for the semester and
- The Cumulative Grade Point Average (CGPA) of all courses enrolled from first semester onwards.

GPA for a semester is the ratio of the sum of the products of the number of credits acquired for courses and the corresponding points to the sum of the number of credits acquired for the courses in the semester. CGPA will be calculated in a similar manner, considering all the courses registered from first semester. RA grades will be excluded for calculating GPA and CGPA.

$$\text{GPA / CGPA} = \frac{\sum_{i=1}^n \text{GP}_i \text{ C}_i}{\sum_{i=1}^n \text{C}_i}$$

where **C<sub>i</sub>** is the number of Credits assigned to the course  
**GP<sub>i</sub>** is the point corresponding to the grade obtained for each course  
**n** is number of all courses successfully cleared during the particular semester in the case of GPA and during all the semesters in the case of CGPA.
