

“MEGA BLOOD DONATION CAMP” 28th FEB 2025

The Rotaract Club, Youth Red Cross (YRC), and National Service Scheme (NSS) units of **Jerusalem College of Engineering** successfully organized a **Mega Blood Donation Camp** on **28th February 2025** within the college premises. The event was held in collaboration with **Rajiv Gandhi Government General Hospital, Adyar Cancer Institute, and Tagore Medical College and Hospital**.

The camp was inaugurated by the Principal of Jerusalem College of Engineering, who emphasized the importance of blood donation as a noble act of saving lives. Faculty coordinators and student volunteers played a vital role in organizing and managing the event efficiently.

Medical teams from the collaborating hospitals ensured a smooth and hygienic blood collection process, following all safety protocols. A large number of students, faculty, and staff came forward to donate blood, showcasing their commitment to community welfare. The camp witnessed **enthusiastic participation from over 150 donors**, contributing significantly to the blood banks of the partner institutions.

Refreshments were provided to all donors, and appreciation certificates were distributed as a token of gratitude. The event served as a reminder of the crucial role that blood donors play in saving lives and strengthening the healthcare system. It also fostered a sense of social responsibility among the students and created awareness about the ongoing need for blood in emergency and cancer treatments.

Overall, the Mega Blood Donation Camp was a grand success and stood as a testament to the college's commitment to social service and humanitarian values.
