SIR,

SUB: AIDS awareness pledge for I year Students-Reg.

As first-year students of Jerusalem College of Engineering, we solemnly pledge our commitment to raise awareness and foster a supportive environment for AIDS/HIV prevention and care:

1. We pledge to educate ourselves and others about the facts and myths surrounding HIV/AIDS to dispel stigma and discrimination.
2. We commit to promoting a culture of empathy, understanding, and acceptance for individuals affected by HIV/AIDS in our college community and beyond.
3. We vow to encourage regular testing and access to healthcare services for early detection and proper management of HIV/AIDS.
4. We pledge to prioritize safe and responsible behavior, promoting the use of protection and prevention methods to reduce the risk of HIV transmission.
5. We commit to supporting and advocating for policies and initiatives that address the challenges faced by individuals living with HIV/AIDS.
6. We pledge to use our voices and actions to fight against misinformation, prejudice, and discrimination related to HIV/AIDS, fostering an inclusive and supportive environment for all.

This pledge signifies our dedication to becoming responsible and compassionate members of society, actively contributing to the fight against HIV/AIDS and promoting a healthier, more informed community.

Yours faithfully,

Mr.L.N.NARAYANAN

(YRC Program Officer)
