22<sup>nd</sup> DEC 2022

To

**Indian Red Cross,**

Sir,

**SUB** : Report on the event IMMUNITY  
BOOSTER-NILAVEMBU KASHAYAM  
distributed to all students and staff  
during 22<sup>nd</sup> DEC 2022-Reg.

**INTRODUCTION:**

This event is aimed to prevent Dengue & other seasonal diseases distributed to all Students & staff members of Jerusalem College of Engineering .This event was conducted on 22<sup>nd</sup> DEC 2022.Jerusalem College of Engineering, organized a special event “Nilavembu Kashayam Distribution”. The students and Faculty of our college participated enthusiastically, joining Hands against the effect of Corona & Dengue under the guidance of YRC Programme officer of our college.

**DESCRIPTION:**

Nilavembu helps to manage blood sugar levels and is useful for people suffering from diabetes. It also helps fight cancer and detoxifies the liver. Its rich source of antimicrobial and antiviral properties help manage all kinds of fever including dengue, typhoid, influenza, malaria and chikungunya.Nila vembu exhibits strong anti-inflammatory and anti-viral properties owing to the presence of the bioactive constituent .Regular usage of the nilavembu formulation not inhibits the replication of the influenza virus but also effectively decreases the action of the inflammatory mediators responsible for inflammation of lungs. This event preventive and remedial measures of Dengue,thereby encouraging the students spread awareness about the disease among the masses. This event was conducted successful manner and utilizing the opportunity by students and staff members of JCE.

**Yours Faithfully,**  
**Mr. L.N.NARAYANAN**  
**YRC Program Officer**
