To

Indian Red Cross,

Sir,

**SUB : Report on the event “Medical Emergencies Awareness Talk & Dental Camp”-reg.**

A brief report on the recent event jointly organized by Jerusalem College of Engineering and Tagore Dental College and Hospital. The event consisted of a Medical Emergencies Awareness Talk followed by a Dental Screening Camp, aimed at promoting health awareness and providing basic medical services to the community.

Event Details:

**1. Medical Emergencies Awareness Talk:**

- Date: 09.02.2024
- Venue: Jerusalem College of Engineering -Auditorium
- Objective: To educate participants about handling medical emergencies effectively.
- Highlights:
  - Renowned medical professionals from Tagore Dental College and Hospital delivered insightful talks on identifying and responding to various medical emergencies.
  - Topics covered included CPR techniques, basic first aid for common emergencies, recognizing symptoms of strokes and heart attacks, and the importance of prompt action in such situations.
  - Interactive sessions allowed participants to clarify doubts and learn practical tips for emergency situations.
- Outcome: Enhanced knowledge and awareness among participants regarding handling medical emergencies, potentially empowering them to save lives in critical situations.

**2. Dental Screening Camp:**

- Date: 09.02.2024
- Venue: Jerusalem College of Engineering Campus
- Objective: To provide free dental check-ups and promote oral health awareness.
- Highlights:

- Tagore Dental College and Hospital set up a camp equipped with dental chairs and necessary tools for examinations.
  - Qualified dentists conducted screenings for attendees, identifying dental issues and providing recommendations for further treatment if needed.
  - Educational sessions were conducted on oral hygiene practices, including brushing techniques, dietary habits, and preventive measures against common dental problems.
- Outcome: Improved dental health awareness and access to basic dental care for the community members, especially those who might not have regular access to such services.

Overall, the event was a resounding success, thanks to the collaborative efforts of Jerusalem College of Engineering and Tagore Dental College and Hospital. It not only contributed to enhancing health awareness but also provided valuable services to the community, aligning with the principles of humanitarianism and social responsibility upheld by YRC.
