INDIAN RED CROSS SOCIETY

Sir/Madam,

SUB: Report on Blood Donation Camp held on 28th MARCH 2023.

INTRODUCTION:

“There is no joy greater than saving a life”, the volunteers from Jerusalem College of Engineering an unit of YRC and NSS came together to organize a Blood Donation Camp along with good hand support from the college management and guidance from our YRC programme officer Mr.L.N.Narayanan.

ABOUT IRCS :

The Indian Red Cross is a voluntary humanitarian organization having a network of over 1100 branches throughout the country, providing relief in times of disasters/emergencies and promotes health & care of the vulnerable people and communities. It is a leading member of the largest independent humanitarian organization in the world, the International Red Cross & Red Crescent Movement.

MISSION:

The Mission of the Indian Red Cross is to inspire, encourage and initiate at all times all forms of humanitarian activities so that human suffering can be minimized and even prevented and thus contribute to creating more congenial climate for peace

EVENT DESCRIPTION:

The National Service Scheme and Youth Red Cross along with the Programme Officers Mr Arul Kumar B. and Mr L.N. Narayanan of the Jerusalem College of Engineering jointly organised a blood donation camp in the college premises on 28.03.2023. The Principal of Jerusalem College of Engineering, Dr Ramesh S, the Dean Student Affairs Dr Jamuna and an efficient team for blood collection graced the event. There were many students who voluntarily came up for donating their blood. 70 units of blood was collected and sent to the Indian Red Cross Society. The NSS and YRC volunteers made all the necessary arrangements

and participated enthusiastically hoping that their contribution makes a difference in the life of many people.

CONCLUSION :

The students and volunteers learned an important lesson that “Heroic act of saving a life can be done by donating blood and be a part of a healthier society”.
