To:

INDIAN RED CROSS SOCIETY

Sir/Madam,

SUB: Report on Marathon event for Autism students held on 29th Apr 2023.

INTRODUCTION:

The Autism Marathon is a community-driven event that aims to raise awareness about Autism and support individuals and families who are impacted by this condition. The event is organized by management of Jerusalem College of Engineering along with Youth Red Cross (YRC) ,National Service Scheme (NSS), Rotaract, and other voluntary organizations.

ABOUT YRC:

The Youth Red Cross (YRC) is a youth-led organization that works under the Indian Red Cross Society. It aims to develop a sense of social responsibility among young people and promote the principles of humanitarianism. The YRC volunteers play a vital role in supporting the Autism Marathon and creating a positive and inclusive atmosphere for the participants.

MISSION:

The mission of the Autism Marathon is to raise awareness about Autism and support individuals and families impacted by this condition. The event provides a platform for individuals, families, and organizations to come together and support the cause of Autism. Participants will have the opportunity to learn about Autism and its impact on individuals and

families, and to raise funds for organizations that support individuals with Autism.

EVENT DESCRIPTION:

The Autism Marathon is a 200-meter run, a walkathon, and a variety of other activities. The event provides an opportunity for individuals, families, and organizations to come together and support the cause of Autism. Participants can learn about Autism and its impact on individuals and families, and raise funds for organizations that support individuals with Autism. Volunteers from the YRC, NSS, Rotaract, and other voluntary organizations play a crucial role in the event's success. They help organize the logistics and provide support throughout the event, creating a positive and inclusive atmosphere for all participants.

CONCLUSION:

The Autism Marathon was a resounding success, thanks to the hard work and dedication of the volunteers from the YRC, NSS, Rotaract, and other voluntary organizations, as well as the support from the Jerusalem College of Engineering. Their efforts helped to raise awareness about Autism and support individuals and families impacted by this condition. We are grateful to all the participants and partners who supported this cause and contributed to the success of the event.
