

## WOMEN CELL

Women Cell was established in Jerusalem College of Engineering to focus on promoting the welfare and well-being of female students and staff. It serves as a platform for addressing gender-related concerns, fostering awareness, and creating a supportive environment. Women Cell typically organize events, workshops, and awareness programs to empower women, address gender issues, and ensure a safe and inclusive campus. These initiatives contribute to building a more equitable and conducive atmosphere for women in educational settings, promoting their holistic development and fostering a sense of community.
