22.05.2022

REPORT ON BIOEQUIP CLUB EVENTS -2022

To motivate our students to come up with their talents and also to provide them an opportunity to upgrade their professional skills through their interaction with each other and participation in the events, the Bioequip club of our department has organized various events in for all department students under the banner of our club on 19.05.2022.

The Third-year students, members of the **Bioequip Club** under the guidance of the club Coordinator Dr.J.Sofia Bobby, Associate Professor organized the events

Event 1: LUCKY BRAIN

LUCKY BRAIN is a technical event of three rounds

- The first round is a quiz round, where the participants are allowed to answer the basic general questions from all the field by rolling the lucky dice.
- The second and third round is of a game
- The participants who cleared all the three rounds are awarded with cash prize and certificate.
- E-Certificates are provided for all the participants.

Event 2: GAME OVER

- GAME OVER is a non-technical event of four rounds
- The first round is consisting of sound track without any lyrics the participants are allowed to guess the song
- In second round, the participants are allowed to mimic the dialogue from a muted comedy clips
- The third round is a game and the final round is connection
- The participants who cleared all the three rounds are awarded with cash prize and appreciation certificate,
- E-certificate are provided for all the participants

Event 3 : MANTLE TO RESOLUTE

- MANTLE TO RESOLUTE is a technical event of three rounds
- The first round is a technical connection round, where the participants are allowed to guess the technical words by connecting the pictures
- In second, the participants are allowed to mantel the microscope equipment

- The final round is technical search words, where the participants are given with separate search word puzzle
- The participants who cleared all the three rounds are awarded with cash prize and appreciation certificate, E-certificate are provided for all the participants

Each event encompassed of staff and student coordinators, without whom this entire event would have not been a success one. Staff coordinators were appointed as a jury panel. Table showing the jury members and student coordinators is given below,
