DEPARTMENT OF BIOMEDICAL ENGINEERING

HEALTHAWARE CLUB – ACTIVITY REPORT

The Healthaware Club of Department of Biomedical Engineering was inaugurated on 20.08.2024 for the academic year 2024-2025. The Healthaware Club aims to create momentum that compels individuals to indulge in activities that help to improve the well-being of physical and mental state, for which the following activities are carried out under the club -

- * Visits to Hospitals and associated industries
- * Aid in collaboration of Research and Development for projects that require assistance from medical experts
- * Staged opportunities for students to develop research skills
- * Training on healthy practices for a sustainable life
- * Interaction with eminent industrial and academic experts in the domain of club theme
- * Competitions to develop interest and competence of the students in the related technologies with emphasis on application aspects of the concepts related to Biomedical Engineering.
- * Encourage student community, a culture of creativity, innovation and also motivate them in participation of social health related issues.

In this regard, The Healthaware club of the department had arranged for a one day health camp for consultations related to General Medicine, Ophthalmology and Gynecology for all the students, teaching and non-teaching members of our college in association with Tagore Medical College and Hospital on 20.08.2024 in our college premises after the inauguration of the Healthaware Club for year 2024-25.

The program was conducted as per the following agenda:

- ✚ Invocation
- ✚ Welcome Address by Head of the Department, Dr. J. Samuel Manoharan
- ✚ Lighting of Kuthuvilakku
- ✚ Address by Principal, Dr. Ramesh S
- ✚ Healthaware Club report by Healthaware Club Coordinator, Ms. S. Purnima
- ✚ Investiture ceremony – Newly elected Healthaware Club Student Coordinators
- ✚ Video Presentation
- ✚ Vote of Thanks by new Healthaware Club Coordinator Ms. R. Abinaya
- ✚ Progression to Health Check-up camp

A team of 15 members had come from the Hospital and conducted the camp. Around 136 members from Jerusalem College of Engineering had benefitted from the camp.
