

**JERUSALEM COLLEGE OF ENGINEERING**  
**DEPARTMENT OF BIOMEDICAL ENGINEERING**  
**Report on Hospital Visit cum Training at TMCH**

**Title:** Hospital Visit and Training

**Venue:** Tagore Medical College & Hospital

The department of Biomedical Engineering organised a Hospital visit cum Training at Tagore Medical College & Hospital, Rathinamangalam, Chennai for three days (15.11.23 – 17.11.23). As Hospital training is a part of our curriculum, it is required to give training in leading multi specialized hospital for our Final year B.E Biomedical Engineering students.

The objectives of the hospital training is to study the hospital structure and its patient centered approach, learn about the hospital equipments and different functions of all the departments and its prime objective is to make the students to recognize the importance of inter- professional collaboration in healthcare and shoulder the responsibilities with full potential to address various health needs of population by being a ultimate, Responsible Biomedical Engineer.

The hospital visit cum training was arranged by Ms.V.Mythily, Assistant Professor.

Our Sincere thanks to the Dean, Medical superintendent, Tagore Medical College & Hospital who in spite of being extra ordinarily busy with their duties gave us an opportunity so that we could learn something so important.

Our special thanks to Mr. Dili Babu , HR Manager for his kind support and arranged all facilities for hospital training and Mr. Sandeep , Biomedical Engineer, Tagore Medical College & Hospital for his precious guidelines and expertise which were extremely valuable for hospital training both theoretically and practically.

Our sincere thanks were deliberated to our beloved principal, Dr. Ramesh S for his constant support to us.
