Report on Health Awareness Contest under the Healthaware Club

The Health aware club of our department is involved in creating health awareness and promoting general well-being of the community by organizing several health related programs. In this regard, to underpin the theme "My Health, My Right" for state of Comprehensive Health of Mankind by WHO for the year 2024, we had conducted an event - "Vital vibes", on 05.10.2024 (Saturday) in Classroom M005 between 2.00 p.m to 3.30 p.m consisting of three rounds namely,

Round 1: Phonetic Frenzy - to check Inter-Brain Synchronization
Round 2: Health awareness Questionnaire - to check knowledge on general health awareness
Round 3: Word Weave - Pictorial connection game - to check knowledge on common medical techniques

The event was open to students of all years of various departments with an entry fee of Rs.15 per team and a maximum of three participants were allowed per team. A total of 27 teams had registered and 26 teams had participated in the event. Mr. Harshan. B, Mr. Imran Khan and Mr. Pugazh. M, second year students of Artificial Intelligence and Machine Learning Branch were the winners of the event. A cash prize of Rs. 100 along with winning certificate were distributed to each of the winners.
