AND

JERUSALEM COLLEGE OF ENGINEERING,
NARAYANAPURAM, PALLIKARANAI
CHENNAI - 600 100, TAMILNADU, INDIA.

Date: 10-06-2015

1. Preamble

Jerusalem College of Engineering offers 7 UG Programmes and 8 PG Programmes in the Engineering stream. The Institute is promoting research activities apart from imparting quality education to students from across the nation.

Jerusalem College of Engineering is deeply concerned with the commitment of quality education by creating and promoting interaction with industries and research organizations to provide up to date training and knowledge to the faculty and students.

Mazenet Solution (P) Ltd, a Software Development Training and Technology Solutions company based in Chennai, is mainly engaging in Design, Research and Development of various Information Technology related products and providing support services based on Information Security in India. The company has more than **Fifteen years** of experience in design and development of Software technologies.

2. Purpose

The purpose of the memorandum of understanding is to ensure co-operation between Jerusalem College of Engineering and Mazenet Solution (P) Ltd to share the knowledge and skills and the resource power available in both organizations through training, consultation and projects etc.

2.1. Training

Mazenet Solution (P) Ltd will offer training on Recent Technologies(Concepts+ Software tools) for the Students & Staffs of Department of Information Technology, Jerusalem College of Engineering. If there is any cost it will be agreed upon on mutual basis on time to time.

2.2. Projects

Mazenet Solution (P) Ltd shall offer research projects to the Graduate Engineering (Information Technology) students of Jerusalem College of Engineering, if required. Designated technical personal from Mazenet Solution (P) Ltd and Jerusalem College of Engineering, shall guide their research projects as and when required on mutually agreed terms.

2.3. Research

Jerusalem College of Engineering, shall take the skills, expertise from Mazenet Solution (P) Ltd if necessary for carrying out various technical requirements while implementing state of art technology projects in the Jerusalem College of Engineering campus. The cost of consultation will be decided based on R&D projects taken up from the external agencies such as DST, AICTE, etc. or for the development of new state-of-art technology missions. The cost of consultation can be decided at the time of work or project being taken.

2.4. Miscellaneous

In addition to the tasks discussed above the collaboration shall also include the following.

- a. Interaction with working groups of the industry so as to increase the student's as well as staff knowledge and skill level.**
- b. Offering technical expert lectures from one side to the other.**
- c. Offering valuable inputs to the university as a feedback from the industrial sector in respect of latest technological development in the area of interaction.**
- d. Offering guidance for suitable placement for students.**
- e. The Technologies and Products developed by Mazenet Solution (P) Ltd, will be provided at concessional rates for educational purpose.**

3. Exchange of Information and Documents

Jerusalem College of Engineering, and Mazenet Solution (P) Ltd shall arrange for the exchange of information and documents concerning matters of common interest without infringing on Intellectual Property Right(IPR).

4. Technical Co-operation

Whenever desirable, Jerusalem College of Engineering, and Mazenet Solution (P) Ltd may seek each other's technical cooperation with a view to promoting the development of collaborative activities in field of common interest.

5. Amendments

Both parties may request the present Memorandum of Understanding be amended. Any such amendments shall be adopted by mutual consent. Whenever required an exchange of letters will detail the implementation of this article.

6. Termination

Either party may terminate the present Memorandum of Understanding by giving three months written notices to the other party. The obligation on the parties under the terms of their Memorandum of Understanding shall be fulfilled within three months notice period. The final obligation between the parties will also be settled within the notice period.
