Following points were discussed in the meeting

- Chairman of the Department Advisory Board Dr. K. Sundaramoorthy, welcomed committee members. He emphasized the program's Vision, Mission, Program Educational Objectives (PEO), and Program Specific Outcomes (PSO).
- Dr. D. Sudhagar, Member Secretary, outlined the department's activities for the 2023-2024 academic year, comprising student activities, achievements, results analysis, industrial training and placements, as well as workshops and seminars, then welcomed suggestions from members.
- Mr. M. Senthil Kumar highlighted the value of students enrolling in NPTEL courses and praised the teachers for their creative teaching strategies
- Dr. Arun Sahayadhas emphasized the importance of integrating virtual laboratories to enhance student learning. Virtual laboratories offer significant advantages such as accessibility, flexibility, and scalability, enabling students to conduct experiments and simulations remotely. Dr. Sahayadhas emphasized that virtual laboratories can supplement traditional lab experiences, providing opportunities for hands-on learning even in situations where physical access to labs may be limited. He stressed that integrating virtual labs can enrich the educational experience by allowing students to practice and apply theoretical concepts in a practical and interactive manner, thereby preparing them better for real-world challenges in their respective fields of study.
- Mr. Dhanaraj (F/o D. Sathis Pandy - Batch 2021-2025) highlighted their satisfaction with various aspects such as academic quality, faculty interaction, infrastructure, and overall support for student development.
- Mr. D. Jaisingh Pedhuru, an alumni member, shared how well-prepared he felt upon starting his career, attributing it to the college's effective training programs, practical curriculum, and mentorship. He emphasized that these elements were instrumental in his professional success and smooth adaptation to industry

expectations. Additionally, he underscored the significance of certification programs in attracting HR attention.

- Mr. Arun Kumar, an alumni member, highlighted the importance of alumni engagement and expressed commitment to establishing alumni networks that provide ongoing support to juniors in their career development.
