DEPARTMENT OF INFORMATION TECHNOLOGY

## Programme Assessment Committee (PAC) Members Details

2022-23

The Program Assessment Committee (PAC) has been formed for monitoring of Information Technology departmental activities. The PAC consists of the department's faculty and technical staff, who periodically monitor departmental activities and evaluate various parameters.

Roles and Responsibilities:

- Track the results of Program Outcomes (POs), Program Specific Outcomes (PSOs) and Program Instructional Goals (PEOs), and plan the steps required to achieve POs, PSOs and PEOs.
- Scheduling of inspection period to ensure assessment of POs and PSOs in a valid time period.
- Preparing periodic program activity reports, progress reports, status reports or other special management reports.
- Motivate the faculty and students to attend conferences, create programs, job models, publish papers and participate in research activities.
- Interact with stakeholders and DAB to facilitate the achievement of POs, PSOs, and PEOs, maintain track record and current status.
