VIRTUAL SEMINAR
on
INTRODUCTION TO AWS
On 6th of December, 2021
REPORT

We are living in a world of big data that is empowering businesses and organisations to make data-driven decisions. Cloud storage has become a key and central technology for this information age and data scientists has been dubbed one of the best and most attractive job of the 21st century. Amazon Web Services (AWS) is the world's most comprehensive and broadly adopted cloud platform, offering over 200 fully featured services from data centers globally. To provide an insight on the services offered by AWS and various courses related to AWS, the virtual seminar was arranged for the students of CSE department on 6th of December, 2021 (Monday) in the college auditorium.

The event started with a warm welcome note by Ms. Vasumathi Kachi Kidambi from second year. The inaugural address was given by Dr. G. Sasikumar, Head of the Department, Department of Computer Science and Engineering. The guest was introduced to the participants by Ms.J.P.Swetha from second year. The event was conducted with around 220 participants, out of which nearly 70 participants participated through Google Meet.

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

Students raised lot of queries during the Q & A session towards the end of the session. Mr.Akshay answered the queries and gave suggestions on what are the skills they must equip themselves with.

The event ended with a formal vote of thanks wherein gratitude was paid to the management, Principal, the Head of the Department, the faculty members and the supporting team for their support and motivation in organizing such an informative and interesting event successfully.

The poster is for a virtual seminar titled "Introduction to AWS" organized by the Department of Computer Science and Engineering at Jerusalem College of Engineering. It features a portrait of the speaker, Mr. Akshay P.K., a System Engineer at Backbase in Amsterdam. The event is scheduled for 06-12-2021 at 11:30 AM to 12:30 PM in College Auditorium. The poster lists highlights of the seminar, including Why AWS?, Benefits of Cloud Computing, Cloud Service Models, AWS Shared Responsibility Model, AWS Free-Tier, and AWS Job Opportunities. It also identifies the program coordinators as Mrs. S. Vinita and Ms. B. Poojitha, and the professor & HOD as Dr. G. Sankaranarayanan. The principal is Dr. Ramesh S. The poster includes the college logo, name, and contact number 1307.
