Chennai, July 26, 2024 – In a powerful display of patriotism and unity, Jerusalem College of Engineering organized a rally on the occasion of Kargil Vijay Diwas, commemorating the 25th anniversary of India’s victory in the Kargil War. The event was marked by enthusiastic participation from students, faculty, and staff, all coming together to pay tribute to the valor and sacrifice of the Indian Armed Forces.

The rally commenced at the college premises by 10:00 am, with participants gathering to honor the brave soldiers who fought in the 1999 conflict. The participants were filled with the spirit of nationalism, highlighting the courage and resilience of the Indian soldiers during the Kargil War.

Leading the rally, Dr. Ramesh S, Principal of Jerusalem College of Engineering, emphasized the importance of remembering and celebrating the sacrifices made by the armed forces. The start of the rally was marked by the Principal and Dean – Student Affairs and Halcyon Club Coordinator by handing over the placards to the participants.

Students carried placards bearing slogans that honor our soldiers as they marched through the campus and surrounding areas. The rally was not just a tribute but also an educational endeavour, aiming to instil a sense of pride and respect for the armed forces among the younger generation. The event also featured a series of speeches and performances.

The rally was followed by various competitions like English elocution, Tamil elocution and Tamil/English poetry which centred on the theme of Kargil victory day. The students participated enthusiastically and showcased their respect for their soldiers.

The day ended with the valedictory ceremony in which various winner were awarded. The ceremony also included a video display which was a spark that made the fire inside the hearts of the participants’ burn even brighter.

The events were a resounding success, showcasing Jerusalem College of Engineering’s commitment to honoring national heroes and educating the next generation about the importance of service and sacrifice. Kargil Vijay Diwas served as a poignant reminder of the courage and resilience that define the spirit of India.

On October 8th, the Halcyon English Club at Jerusalem College of Engineering organized **Cipher Quest**, an engaging event aimed at enhancing English language skills and boosting the confidence of first-year students. Through a series of fun, interactive games like **word search** and **sentence matching**, participants were encouraged to think critically, expand their vocabulary, and work collaboratively. The event provided a perfect blend of learning and entertainment, stimulating creativity while fostering team spirit.

Student council volunteers played a vital role in ensuring the smooth flow of the program. They guided participants through the activities, managed time limits, and created a welcoming environment that encouraged active participation. The energy and enthusiasm of the students were evident throughout, as they eagerly collaborated, competed, and made new connections.

To recognize their efforts, winners received cash prizes, adding excitement and a sense of achievement to the day. Overall, Cipher Quest proved to be a memorable, well-organized, and impactful initiative that successfully combined education with enjoyment.

On February 28th, at N104 and N105, the New Block, the Halcyon Club at Jerusalem College of Engineering hosted **RIDDLER**, an interactive event aimed at enhancing students' English language proficiency and confidence. The program blended education with entertainment through engaging games and competitions. In **Round 1**, participants tackled riddles online, racing to submit correct answers. **Round 2**, titled *Connection Puzzles*, challenged students to form compound words from image combinations, such as "rainstorm," creating a lively, competitive atmosphere. The event emphasized quick thinking, teamwork, and active participation, offering both individual and group tasks. RIDDLER proved to be a resounding success, drawing enthusiastic participation and fostering peer interaction. The event was well-organized by the student council, who ensured a smooth and enjoyable experience. By combining problem-solving, lateral thinking, and language-based challenges, RIDDLER offered students a dynamic platform to develop skills in an enjoyable setting, making it a memorable and meaningful initiative of the Halcyon English Club.

Besides the Staff Coordinator: Dr. D. Charley Samuel, Halcyon Club, Ms. M. Rajaswetha, AP/English was the Event Coordinator.

Round – 1

Round – 2

126 students registered and 76 students moved to the second round. The WINNER was D.V. Jeevan of III CSE-A and the Runners were Abinaya Sri. A & Kathiravan. S of III BME. Besides the Staff Coordinator: Dr. D. Charley Samuel, Halcyon Club, Ms. M. Rajaswetha, AP/English was the Event Coordinator.

The Halcyon Club of Jerusalem College of Engineering, organized a series of engaging and entertaining events as part of **Excelsior 2K24** aiming in fostering community spirit and providing students with opportunities for personal growth and development. The following events were conducted successfully under the collaborative efforts of the Halcyon Club of Jerusalem College of Engineering and the Student Council of Jerusalem College of Engineering.

These events provided students with valuable opportunities for personal growth, community engagement, and memorable experiences.

The Block & Tackle event, hosted by the Halcyon Club as part of Excelsior 2k24 on March 6th, attracted 64 registrations, with approximately 50% actively participating. The event ran from 2:00 PM to 3:00 PM. The event, guided by staff coordinators Dr. J.Kayalvizhi and Ms. R.M. Subhashini, was judged by Dr. Anita Dolorosa and Dr. S. Sangeetha. Student coordinator M. Suresh Kumar oversaw the event. Teams competed in two rounds, with winners and runners-up selected based on correct word guesses.

The Online Essay Writing - English for Excelsior 2k24 event took place from March 4th to March 13th, 2024, with Aparnaa S (2nd year - CS) as the Student Coordinator and Dr. Charley Samuel and Dr. Agnes Nirmala as Staff Coordinators & Judges from English-S&H department. Approximately 20 students participated, submitting essays on topics such as sustainable engineering, the power of knowledge and character, and the role of artificial intelligence in social development. Submissions were evaluated based on creativity, content, relevance, and grammar, with judges awarding scores out of 25 marks. The winner was determined by calculating the average of the judges' scores, with the highest combined average score securing the victory.
