

JERUSALEM COLLEGE OF ENGINEERING

(An Autonomous Institution affiliated to Anna University, Chennai)

CENTRE FOR SWAYAM -NPTEL COURSES

14.3.2022

Jerusalem College of Engineering in association with Centre for Continuing Education (CCE), IIT-Madras, had organised ‘**An Awareness Programme on Skill Development Courses**’ on 12.03.22 through Zoom Meeting between 10.00 and 11.00am. **Prof. Mangala Sunder Krishnan, Professor, Chemistry, IIT-M** and one of the founder coordinators of NPTEL programs was the resource person.

The meeting started with an official welcome note by our **Principal, Dr.S.Ramesh**, and introduction of the eminent guest to the audience by **Dean Academics, Dr.P.Anuradha**. As the Program Coordinator of Digital Skills Academy, CCE, IIT Madras, **Prof. Mangala Sunder** outlined the initiatives of IIT-Madras, towards up-skilling student community in NASSCOM identified future technologies, with an aim to make them ready for job roles in various areas. In this regard, the course content, structure and fee details of various skill based digital courses being rolled out were discussed. He also discussed about the difference between NPTEL Courses and the skill based courses being offered now.

The meet was attended by faculty members and MBA Students. The session was a vibrant forum with active participation and discussion. The meeting ended on a positive note with formal vote of thanks by **Dr.Sheeja V Francis, Nodal Coordinator, SWAYAM-NPTEL Courses,JCE**.
