International Conference on Information Technology ENablers for Persons with Disability (INTEND 2.0)

Empowering Divyangjan (Persons with Disabilities) with Assistive Technologies

About IETE

The Institution of Electronics and Telecommunication Engineers (IETE), Founded in 1953, is one of India's oldest professional societies advancing Electronics, Telecommunications, and IT. Recognized by DSIR as a Scientific and Industrial Research Organization (SIRO), IETE promotes research, technical education, and innovation.

About IETE Chennai Centre

IETE Chennai Centre is a vibrant regional unit of IETE that actively contributes to the technological and professional landscape of South India. Known for its focus on innovation, accessibility, and community engagement, the centre regularly organizes seminars, technical talks, workshops, and international conferences. It works closely with academic institutions and industries to drive interdisciplinary collaboration and provide platforms for young Engineers, Researchers, and Students to engage in knowledge exchange. The centre also promotes social inclusion through initiatives like ISF (IETE Students Forum) and outreach programs that address the needs of under served communities.

About the Conference

The International Conference on Information Technology ENablers for Persons with Disability (INTEND 2.0) is a flagship initiative conceptualized by **Air Vice Marshall (Retd). V.Krishnaswamy & Maj. Gen. (Retd). Balasubramanian** with the IETE Chennai veterans to promote inclusive innovation. It provides a platform for academic, industrial, and policy stakeholders to collaborate and share advances in assistive technologies that empower persons with disabilities (Divyangjan).

Aligned with the UN Sustainable Development Goals (SDGs), INTEND 2.0 emphasizes digital inclusion. Equitable access to education, smart in healthcare, accessible infrastructure, and collaborative partnerships. The conference promotes scalable, intelligent, and humanistic solutions to ensure no one is left behind in the digital revolution.

About Institution and Department

Jerusalem College of Engineering, an Autonomous Institution, affiliated to Anna University, Chennai, was established in the year 1995 under the umbrella of Jerusalem Educational Trust to impart quality engineering education. Over the period of 30 years it has established itself quality engineering education.
