

DEPARTMENT OF MANAGEMENT STUDIES

GUEST LECTURE

29-10-2021

Department of Management Studies, Jerusalem College of Engineering, organized a Guest Lecture on “**Journey from Campus to Corporate**” on **29th October, 2021**, presided over by **Mr. N. Mohanakrishnan, B.Tech, MBA Team Lead, BirlaSoft, Chennai.**

Mr. N. Mohanakrishnan, with an experience that spreads both onsite and offsite specializing in client networking ensured that the session was interactive. He shared his experiences on how to get the students corporate ready. The speaker provided the students with his insightful thoughts on the various skills that are to be developed by the students to enter into the corporate and the necessity to showcase the skills to sustain in the industry. The session was a lively one filled with live examples of industry professionals and experts who have excelled in their areas of expertise, breaking the boundaries, which in turn brought out the students to share their views on the same. Students of II year MBA, 2020-2022 batch and the faculty members of MBA participated in the session.
