On achieving the milestone of completing 28 years as a renowned and prestigious institution, Jerusalem College of Engineering has proved to shine not only in academics, but also in extra-curricular activities which has been evident showcased in the much awaited and celebrated cultural fest **EXCELSIOR 2023** held on 31st March 2023.

The Inauguration was graced by many dignitaries starting from the Chairperson of the college Dr.M.Mala, Secretary Mr.G.Manikandan, Trust Member Selvi Rakshana, the Principal Dr.Ramesh S, the eminent and most talented actor Mr.Sibi Sathyaraj, the Dean Student affairs Dr.V.Jamuna, the President of the Student Council Ms.Preethi.S and the Cultural Secretary Ms.Thilothammal.S.

The cultural fest started with a Vivadha Medai organized by Tamil Mandram. The event was judged by the special chief guest **Dr.Palanivel**, a Tamil professor & a stand-up comedian who participated in a reality show named kalakka povadhu yaaru. The session was a kaleidoscope of opinions, thoughts, and perspectives which kept the audience hooked.

In the morning, the audience was entertained by **Mr.Sibi Sathyaraj**, an Indian film actor, who acts in Tamil cinema. Later that day, the audience was enthralled and entertained by **Ms.Srinisha Jayaseelan**, a well-known musician & singer who participated in a reality show named Super singer junior and then the gathering was thrilled to welcome **Mr.Bala and Mr.Sarath**, actors & comedians, who participated in a reality show named Palakkad povadhu yaaru and gained popularity predominantly for their works in Vijay TV. The celebrities cheered their fans with their various talents such as singing, comedy performance, and the students were engaged to the extent of not knowing how the time passed. The crowd was also surprised by the arrival of **Mr.Sridhar**, the multi-talented choreographer, actor, & director along with the chendrayan team. The valedictory function was graced by the famous Indian film actor **Mr.Arjun Das** who garnered major attention by acting in many blockbuster films. The gathering was thrilled by his presence. A variety of events were organized, ranging from onstage and offstage events to online events. Events such as dance, singing, and instruments attracted many participants. Other events such as cookery and drawing were also conducted.

The specialty of JCE is its inclusiveness and its motto is to provide an opportunity to all the students without prompting any differences which is much evident by the events conducted by the **Halcyon club** such as crossword, channel surfing, block and tackle. A club called **Tamil Mandram** was also formed to highlight and never forget the beauty and virtue of the Tamil language. The events conducted by Tamil Mandram are vivadham, and sittu edhu kadai sollu to say the least.

The winners of all these events were awarded certificates and a bounty in the form of prize money. On the grand day, onstage events were conducted and the chief guests were the judges to judge the winners. Uniqueness is the way of JCE and on that front Faculty events such as cookery and connexions were also conducted which brought out the fervent child in them. Stalls were also arranged to cater the needs of the audience.

EXCELSIOR 2023 was not about just giving speeches and distributing awards but it was a pinnacle of emotions and happiness brought together. It will remain as grandeur in the history of Jerusalem College of Engineering.
