17	Dr. N. Booma Professor – EEE Jerusalem College of Engineering	Member Secretary

At the outset, the Chairman welcomed the members for attending the 1st meeting of the Board of Studies. The agenda points were discussed in detail as mentioned below:

Item No. 1- Ratification for continuation of Anna University Curriculum and Syllabi for II, III and IV year students under R2017 and R2013 respectively and II PG of R2017, Anna University.

The Chairman informed the members that the present second and third year B.E (EEE) & II M.E(PED) students admitted under Anna University will continue to follow regulation 2017 and the present fourth year students under Anna University will follow regulation 2013. As the college has now been granted autonomous status, the Chairman sought approval from the members to continue with the same curriculum and syllabi with the flexibility of conducting examinations (both assessment and End Semester) through the office of Controller of Examinations, Jerusalem College of Engineering. To this, the members accepted to the proposal of the Chairman.

Item No. 2 - Approval of UG curriculum for Semester I – VIII

The Chairman presented the curriculum for B.E.(EEE) programme designed for R2019(CHOICE BASED CREDIT SYSTEM(CBCS)), to be followed from the academic year 2019-20. The presentation started by defining the PEOs, POs, PSOs and their mappings. The curriculum of each semester was discussed in detail and the summary of the number of credits allotted for each category was informed by the Chairman and the same was approved by the members.

Item No. 3 - Approval of Syllabi for the first year technical courses

The syllabi of the following technical courses that occur in the first and second semester of R2019 (CBCS) were presented by the Chairman.

- **JGE1101-ENGINEERING BASICS-** First semester
Unit 3- Electric circuits and Electrical Machines
- **JGE1111-DESIGN APPRECIATION LABORATORY -** First semester
Electrical Engineering Practice of Group B (Electrical and Electronics)
- **JEE1201-CIRCUIT THEORY-** Second semester
- **JEE1211-ELECTRIC CIRCUIT LABORATORY-** Second semester

Members of BOS suggested the following points in the syllabi of the above first year technical courses.

- In the circuit theory (JEE1201) subject, Unit 1(Basic circuit analysis and network reduction) and unit 2 (Network Theorems for DC and AC Circuits) can be combined as a single unit. Two port networks can be added as a separate unit.
- In Design Appreciation Laboratory (JGE1111), experiments like usage of primary protective equipments and usage of measuring instruments could be added In Electrical Engineering Practice category in order to give training to students.

Suggestions given by members were incorporated and the syllabi were finalized.

Item No. 4 - Approval of curriculum and Syllabus of R2019(CBCS) for I Year PG ,M.E.(PED) & II Year PG, M.E.(PED)

The Chairman proposed that the current curriculum and syllabi of R2017 of Anna University will be followed for M.E.(PED) Programme, for students admitted in the Academic year 2019- 20. The proposal of the Chairman was approved by all the members.

Item No. 5 - Approval of the panel of Examiners (Both Internal & External) to be forwarded to Academic Council

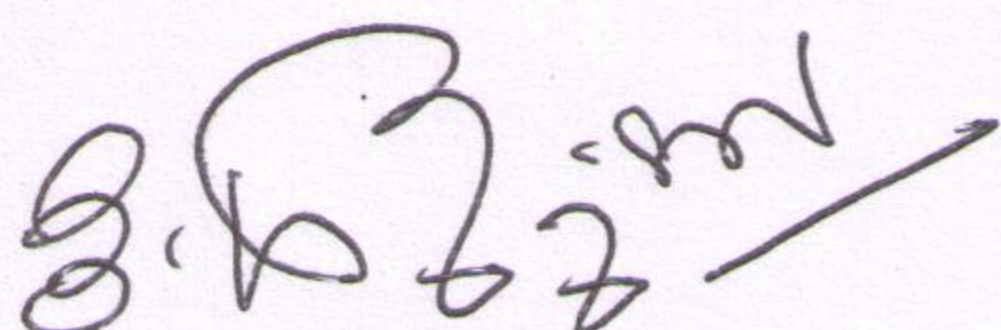

The Chairman presented the list of internal and external examiners to the members. The members recommended the list to be forwarded to the Academic Council for approval. The lists are enclosed in Annexure -1 and Annexure -2 respectively. It was also resolved that additional names can be included after getting the approval in the subsequent Board of Studies meetings and Academic Council.

Item No. 6 - Methodologies for Innovative Teaching and Evaluation Techniques

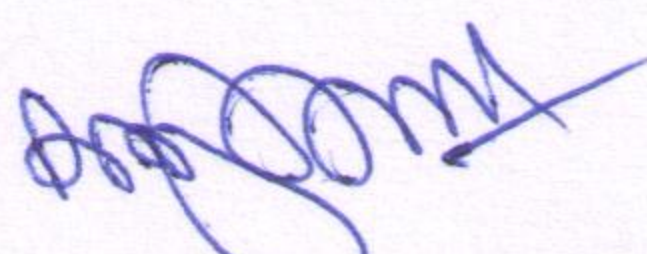

The Chairman suggested different innovative methods for teaching and evaluation. The members also gave suggestions and ideas that could be implemented for better teaching – learning environment.

Additional Remarks:

The meeting ended by the Chairman thanking all the members for their presence and overall suggestions which he ensured would be incorporated and forwarded to Academic Council.
