He also welcomed expert members Mr.E.Karunanidhi - Manager – HR, Jasmin Infotech Pvt., Ltd., Dr.S.Rajkumar - Executive Vice President, M/s.Rane Engine Valve Ltd., Dr.K.Ananthanarayanan - Professor, IIT Madras, and Mr.Ranjith Rajeswaran - Principal & Chief Audiologist, MERF Institute of Speech & Hearing Pvt. Ltd., to the fifth Academic Council Meeting and thanked them for the continuous support rendered for the last four years and wished to continue the same.

For the benefit of the new members, the Chairman informed about the grant of Autonomous status to Jerusalem College of Engineering in 2019 by UGC for a period of 10 years. He also informed that statutory bodies such as Board of Studies, Academic Council & Governing Council were formed with nominees from Anna University, Industry and Academia. Based on the recommendations and suggestions received from these bodies, the college has successfully implemented the curriculum and syllabi for three academic years. The first batch under the autonomous structure is in the final year now.

The Chairman highlighted the following salient achievements of the college during the academic year 2021-22.

- Three year extension of NBA accreditation for the 2 UG Programmes (B.E - BME & CSE) with effect from June 2022
- Extension of NAAC accreditation with "A" grade upto December 2024.
- Ranked in the Silver Band with B++ Grade in the OBE Ranking 2022 and is positioned as "The Premier Institution for Academic Excellence" in India.
- The percentage of placements for the Academic year 2021-22 so far is 92.24%

The chairman informed the honourable members that four new programmes are being introduced from Academic Year 2022 – 23.

1. B.Tech. - Artificial Intelligence and Data Science
2. B.Tech. - Computer Science and Business Systems
3. B.E. – Computer Science and Engineering (Artificial Intelligence and Machine Learning)
4. B.E. – Computer Science and Engineering (Cyber Security)

The fourth Board of Studies meetings were conducted during June-July 2022 to get approval for the syllabi of courses offered in the final year UG&PG programmes, curriculum & syllabi of first year courses for the new programmes for implementation in the academic year 2022-23.

The deliberations of the fourth Board of Studies meetings of all boards is placed before the honourable Academic Council for ratification.

Section 3: Items for Information

SECTION 1: ITEMS FOR CONFIRMATION

Item No. 5.1.1

To confirm the minutes of the Fourth Academic Council Meeting held on 11.02.2022

The minutes of the fourth Academic council meeting held on 11.02.2022 was presented by the Chairman. The same was confirmed by the council and is presented in *Annexure – I.*

Item No. 5.1.2

To review the action taken on the decisions of the Fourth Academic Council Meeting held on 11.02.2022

The Chairman presented the actions taken based on the suggestions given during the Fourth Academic Council meeting held on 11.02.2022.

General Suggestions:

Sl.No.	Suggestions made by AC members	Action taken
1.	Dr.S.Rajkumar expressed that the Institution can develop strong relationship with the industry.	a. The Institution has an Institute Industry Interaction cell headed by HOD-ECE Dr.P.Gnanasivam. In order to strengthen the cell, Dr.P.Gnanasivam has been promoted as Dean - Industry Relations & TBI who would be focussing exclusively on Interaction with Industry & MSME Projects. b. Specialized Courses in MBA Programme such as logistics has been introduced to strengthen the Institute Industry Interaction.

Sl.No.	Suggestions made by AC members	Action taken
2.	Mr.E.Karunanidhi offered his help to give special lectures on emerging topics for UG/PG students.	We thank Mr.E.Karunanidhi for extending his support in equipping students with recent technologies. Many more such guest lectures are planned for the ensuing odd semester 2022-23
3.	Dr.K.Ananthanarayanan suggested that faculty may be motivated to publish their findings in ASCE journals which has a high impact factor and also would help to improve the ranking of the institution.	The suggestion is well taken. Dean-Research of the college is motivating faculty periodically to publish papers/findings in reputed journals such as ASCE.

The item was approved by the council.

SECTION 2: ITEMS FOR RATIFICATION AND APPROVAL

Item No. 5.2.1

To consider and approve the following

  i. Amendments in R2019
  ii. Regulation 2021 (for UG & PG students admitted from the academic year 2021-22)

   a. **Amendments in R2019 (admitted from 2019 – 20)**
    i.   Due to a good response received from students for choosing swayam NPTEL courses as an open elective in the Even Semester of 2021-22, this option of choosing NPTEL courses has now been extended to professional electives too, norms being the same as applicable for open elective (Vide section 4.9 of R2019 of Jerusalem College of Engineering)

ii.   For a student who clears NPTEL exam and is satisfied with his/her mark secured through NPTEL evaluation, the following absolute grading system is suggested for credit equivalency

LETTER GRADE	MARKS
O	88-100
A+	76-87
A	64-75
B+	52-63
B	40-51
RA	<40

b. Regulation 2021 (for UG & PG students admitted from the academic year 2021-22)

This Regulation is different from R2019 with respect to the examination evaluation system, which is now inline with the instructions given by Anna University. However, the curriculum and syllabi defined under R2019 shall be followed until further change in the curriculum. The details of Regulation 2021 is Presented in *Annexure II*

The Item was approved by the Council.

Item No.5.2.2

GENERAL IMPRESSIONS BY EXTERNAL MEMBERS

All members congratulated the Management and Principal for the achievements during the academic year 2021 – 22 and appreciated HODs and other Unit Heads for their excellent presentations.

Some of the suggestions given by them are:

1. Dr.V.R.Giridev suggested to introduce B.E. Honours degree programme and B.E. degree programme with minor specialisation in the subsequent academic years as Anna University would be implementing such programmes from the academic year 2022 – 23.

2. Dr.K.Ananthanarayanan suggested to encourage students to take up internships in automation technology which would give students more practical exposure.

3. Dr.K.Murugan suggested to encourage students towards learning foreign languages such as German, Japanese, French etc.,

4. In response to a query raised by Dean Academics regarding the maximum number of credits that should be allotted for a B.E. CSE programme with a specialization, Dr.P.Jayashree suggested to have a total of 160 credits inclusive of credits allotted for the specialization. In reply to the query, Dr.V.R.Giridev suggested to have 160 + additional extra 18 credits for a B.E. Honours degree programme.

5. Mr.E.Karunanidhi extended his support to establish Centres of Excellence at Jerusalem College of Engineering and to strengthen the Industry Institute Interaction.

Dean Academics thanked all the members for their presence and valuable suggestions. She assured the members that all suggestions given by the members would be incorporated and minutes of the meetings would be sent to them for their final concurrence and further implementations during the academic year 2022 – 23.
