At the outset, the Chairman welcomed the members for attending the 1st meeting of the Board of Studies. The agenda points were discussed in detail as mentioned below:

Item No. 1 - Ratification for continuation of Anna University Curriculum and Syllabi for II year students under R2017, Anna University.

The Chairman informed the members that the present II year MBA students admitted under Anna University will continue to follow regulation 2017. As the college has now been granted autonomous status, the Chairman sought approval from the members to continue with the same curriculum and syllabi with the flexibility of conducting examinations (both assessment and End Semester) through the office of Controller of Examinations, Jerusalem College of Engineering. To this, the members accepted to the proposal of the Chairman.

Item No. 2 - Approval of I Year curriculum and Syllabus & II Year, Curriculum (R2019)

The Chairman presented the curriculum for MBA, programme designed for R2019, to be followed from the academic year 2019-20. The presentation started by defining the PEOs, POs, PSOs and their mappings. The curriculum of each semester was discussed in detail and the summary of the number of credits allotted for each category was informed by the Chairman and the same was approved by the members

The syllabi for the first and second semester of R2019 were presented by the Chairman. Suggestions given by members were incorporated and the syllabi were finalized.

Item No. 3 - Approval of the panel of Examiners (Both Internal & External) to be forwarded to Academic Council

The Chairman presented the list of internal and external examiners to the members. The members recommended the list to be forwarded to the Academic Council for approval. The lists are enclosed in Annexure -1 and Annexure -2 respectively. It was also resolved that additional names can be included after getting the approval in the subsequent Board of Studies meetings and Academic Council.

Item No. 4 - Methodologies for innovative Teaching and Evaluation Techniques

The Chairman suggested different innovative methods for teaching and evaluation. The members also gave suggestions and ideas that could be implemented for better teaching – learning environment.

Additional Remarks:

The meeting ended by the Academic Coordinator thanking all the members for their presence and overall suggestions which he ensured would be incorporated and forwarded to Academic Council.
