Agenda:

- Introduction of new Programme MBA (Hospital Administration)
- Draft Curriculum

At the outset, the Chairman welcomed all the members to the 6th meeting of the Board of Studies.

The agenda points were discussed in detail as mentioned below:

Agenda No. 1– Approval for introducing new MBA Programme – Hospital Administration:

Healthcare today, is under various regulatory compliance requirements, from National and State regulatory authorities, to improve patient care and safety. Hospital has diverse work force, working with dynamic exchange of information within and outside departments and among multidisciplinary teams working towards patient care under a complex system. The modern healthcare sector is divided into many subsectors and depends upon trained management/ administrative professionals to meet health needs of individuals and population at large. In view of the current scenario, managing of hospitals and nursing homes together has become a challenge.

Through this course, we lay emphasis on providing innovative, knowledgeable administrators, who would shoulder the responsibilities of managing the hospital functions effectively. They will help facilitate the doctors, nurses and paramedical staff to focus more on patient care and treatment with optimal utilization of available resources.

The programme MBA (Hospital Administration) is a full-time program extending for a total duration of two years. This program is structured into 4 semesters with classroom teachings along with practical

exposure in the hospitals with internship/ HCO visit after every semester and project submission in the 4th semester.

Hence the proposal for starting MBA Hospital Administration Programme was made and discussed with Board of Studies Members. The members gave approval for the introduction of this new programme with effect from the Academic Year 2024-25.

The members accepted the proposal and gave their valuable suggestions and inputs to design the curriculum and regulation for the new course MBA (Hospital Administration).

Agenda No.2 First Draft of Curriculum for MBA (Hospital Administration) for approval:

The Chairman presented the draft curriculum to the members. Based on the discussions, the curriculum was approved by the Board of members is presented in *Annexure*.

The following suggestions are made by BOS Members:

1. Merge few subjects and include basic general management subjects.
2. Add some practical courses in each semester.
3. Keep one core subject in 3rd semester
4. Form a subject expert committee for further discussion on trends in Hospital Management.

The meeting ended by the chairman thanking all the members for their presence and overall suggestions which he ensured would be incorporated and forwarded to Academic Council.
